Not The Georgia Lyceum Course. Mr. J. A. Hill, Manager of the Opera House, will be able to give some very fine attractions this winter. He has been able to secure some very able lecturers, who have a world-wide

eputation.

The Lyceum Course for this season is not the Jeorgia Lyceum Course that we had last sea-The course consists of Mr. A. W. Hawks, Dr. Andrews, Gen. Gordon, Dunbar Bellringers, Chicago Glee Club, Prof. DeVillences, Magic-tan.

ian.

Mr. A. W. Hawks, the laughing philosopher who has such a wide reputation as a lecturer, will be at the Opera House tonight. His lecture is full of wit and humor. Prices 25, Sets. Mr. A. W. Hawks has the reputation of a graceful orator and an intertaining speaker. If you miss him tonight you will always regret it.

Purity.

Purity in flour ought to be an imporrant consideration in every family in making "Cliffon" flour every grain of wheat is thoroughly cleaned before grinding, and is converted into flour in a hygienically plean modified through delicate silk cloths before it is scaked. Absolute purity is thus assured.

The heat flour looks very much like any other flour when it is in the sack. The resitant is in the baking. That's where "Cliffon" flour excels by every test—excels in purity and perfection; in the quality and richness of the bread.

Pure flour really does not cost any more than flour that is not sfrictly pure. "Cliffon" flour is guaranteed strictly pure wheat flour and is sold at a reasonable price. "Cliffon" has no rival. There is no better flour sold at any price.

Another ridiculous food fad has been brand ed by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nournish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriments is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy setion, purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy at The Speed Bruc Cs.
